

Jessie

Courtney Alderding

Spread your wings to fly
High above the clouds
Soar straight through the sky
Without looking down
I'm watching your back
So don't be afraid
I'm with you...
Watch over me...
I love you Jessie

You're my one true friend
And I won't let go
I love you with all my heart and soul
Your spirit makes me happy
When I think of you
It makes me feel like I'm in heaven
Visiting you
I love you Jessie

Something in this world should change
Something that can rearrange the past
Can put pieces back together
Pieces like you and me...

I have this regret feeling
I didn't think you'd be away this long
I thought Mum would just bring you home again
But she didn't...
I miss you...
Jessie...
